

How to become a GA NPIP member 5 Easy Steps

1. Make a testing appointment- Call Steve Brinson at 770-535-5900

2. An NPIP authorized tester will visit your farm to test your birds

3. The flock owner will sign a membership form & pay fees

4. If test results are negative, the owner will receive an NPIP #, membership certificate, & upon request 9-3 forms for shipping birds out of state

5. Membership & testing are good for one year from the date of testing. You must call to schedule another appointment
