

How to become a GA NPIP member 5 Easy Steps

1. Make a testing appointment- Call GPLN at 770-766-6820

2. An NPIP authorized tester will visit your farm to test your birds

3. The flock owner will sign a membership forms & pay fees

4. If test results are negative, the owner will receive an NPIP #, membership certificate, & upon request 9-3 forms for shipping birds out of state

5. Membership is conditional for one year. You must retest your birds every 6 months for Avian Influenza, and once yearly for Pullorum-Typhoid.
